EDUCATION

University of Wisconsin-Madison

Candidate for Master of Science in Statistics.

Madison, WI

May 2028

Macalester College

Bachelor of Arts, Major: Mathematics; Minors: Statistics and Physics. Summa Cum Laude.

Saint Paul, MN

May 2025

GPA: 3.97/4.00.

EXPERIENCE

Graduate Teaching Assistant

Aug 2026 – Present

University of Wisconsin-Madison

Madison, WI

- Grade problem sets and exams for introductory statistics courses for science majors, supporting approximately 400 students
- Support undergraduate students during weekly office hours and learning center drop-in sessions

Technical Solutions Engineer

Jun 2025 – Aug 2026

Epic Systems

Madison, WI

- Authored daily SQL queries for data collection and analysis across three major healthcare organizations, touching thousands to millions of records; insights reduced patient processing time from hours to seconds and contributed to a record revenue month
- Completed development projects that streamlined internal utilities to rebuild corrupted data, released into production
- Resolved healthcare organizations' software needs through troubleshooting, presenting optimizations, gathering system data, and coordinating fixes and enhancements between end users and developers
- Collaborated with IT analysts, operational and managerial staff at client organizations, and developers in time-sensitive settings

AI Mathematics Trainer

Jun 2024 – May 2025

Outlier AI

Remote

- Trained an AI model in algebra, geometry, calculus, and discrete mathematics by evaluating and correcting mathematical prompts

Calculus Tutor

Aug 2022 – Dec 2024

Macalester College Academic Excellence Center

St. Paul, MN

- Guided students across all levels of calculus through problem solving and clear concept explanation

Physics Department Preceptor

Sep 2023 – Dec 2024

Macalester College

St. Paul, MN

- Facilitated high-power model rocket building for students in the first-year seminar Rocket Science
- Graded problem sets, provided feedback, and held office hours for Rocket Science and Modern Physics

Summer Extended Learning Teacher

Jun 2024 – Aug 2024

Minneapolis Public Schools

Minneapolis, MN

- Delivered mathematics instruction and behavioral support for elementary-aged students in the STEM Summer Extended Learning program

Mathematics and Physics Tutor

May 2022 – Aug 2022

Varsity Tutors

Remote

- Developed lesson plans and explained mathematics and physics concepts for high school, college, and post-college students across experience levels

ACTIVITIES & LEADERSHIP

University of Wisconsin-Madison Actuarial Club

Aug 2026 – Present

Member

- Engage with actuarial professionals and contribute to community service work

Macalester College Varsity Cross Country and Track and Field

Sep 2021 – May 2025

- All-Conference, All-Region, Academic All-Conference, Academic All-District, Academic All-American

Macalester Student Athlete Advisory Committee

Sep 2023 – May 2025

- Created NCAA policy proposals, communicated policy changes, and voted on policy updates; served on committees to promote student athlete community engagement and increase attendance at athletic events

SKILLS

Statistics and Mathematics: Probability Theory, Statistical Forecasting, Machine Learning, Markov Chain Analysis, Financial Statistics, Risk Management, Agent-Based Modeling, Topological Data Analysis, Numerical Analysis Methods for Optimization

Software: R, Python, SQL, Julia, MATLAB, Git, GitHub, Tableau, Power BI, Excel, GIS, Java, C++
